My signature below is an official request that any scholarship funds available to me through the Citizen Scholars be made available to me. I acknowledge that:

1. The Citizen Scholars ' monetary support is based upon "last dollar need", which means that only the unmet need – the difference between your total financial aid package, and the total cost of attendance (COA) – will be paid up to \$2, 625.00 per year (one-half paid each semester) for four consecutive years of college. Any break in attendance may result in forfeiture of funds.
2. Funds may not be used for international travel.
3. Payment will only be made to the college's financial aid office.
4. The total COA will be provided by the college.
5. I must submit my grades to Citizen Scholars at the end of each semester.
6. I must maintain a 2.0 GPA on a 4.0 GPA scale.
